

# Turning 65 and Medicare

## **Important Medicare Information for those of you turning 65 soon....**

Do I need to sign up for Medicare when I turn 65?

Retiring?

If you are 65 and older and retiring yes it is necessary for you need to sign up for Medicare.

Still working?

If you are turning 65 and plan to still work **you do not** need to sign up for Medicare.

There is no cost to Medicare Part A however you can sign up when you turn 65 but it is not necessary.
